

IGNARA

LIGHT UP LIVES

OUR MEMBERS

Problem Statement

To design a Portable, Durable, Sustainable and Affordable light source for people deprived of light, living in the slum areas behind our school.

*'अंधेरे में रह रह कर
थक गये हैं'*

Even after the implementation of government schemes such as the 'Deen Dayal Upadhyay Jyoti Yojana', approximately 89% of people living in rural India do not have access to light.
